

The **Seattle-LAJRS Series** is a 5 race points series. There are no additional charges to participate in the series. Anyone registered as a junior in a series race will automatically be included in the series and awarded points.

Points

Points are awarded to all juniors racers of each individual event for each individual category. Series placings are determined by the amount of points each athlete has earned. Ties will be broken by determining the athlete with the higher placing for individual events and/or by the placing in the most recent event.
